

Turtle Point Reef Snorkelling

A magical 2 hour journey that you should not leave the Maldives without trying

A fun snorkeling excursion to discover Turtle Point and one more selected coral reef so you can experience more of the marine life in the Maldives.

A 2.5 hours Reef Snorkelling experience where we have seen turtles, reef sharks, amazing coloured coral and a large range of fish including the famous "Nemo" in the past.

Enjoy the magical trip with one of our expert guides, where we will snorkel at 2 different reefs.

Snorkelling at the azur time of day for visibility, surrounded by water that you generally only see on a postcard reef snorkelling is an experience you should not go home without trying.

Child Snorkeling Policy

Due to safety reasons we regret that we cannot take children under the age of 8 on any of our snorkeling trips. Please talk to a member of the Kid's Club team about fun, supervised activities your child can do whilst on one of our trips.

If you wish to bring your child along on the boat you may do so provided one responsible adult on the boat at all times. Please note that children under 8 year-old if even if accompanied by an adult are not allowed in the water.

Children over the age of 8 are permitted on our snorkeling tours provided they are accompanied by a responsible adult at all time.
