

Sunset Cruise

Fitted with boom net...

What a perfect way to end an amazing day, a sunset cruise aboard our Dhoni, Kandooma Orange. Feel the tranquillity of the surrounding waters as the sun sinks below the horizon. Enjoy cool drinks and tasty snacks as you watch the colourful display in the skies above, the setting sun adding a thrill to the nights awaiting adventures.

For added fun Kandooma Orange has been fitted with boom nets. During the cruise these nets will be lowered into the water so you can actually have your drink, sitting in the water whilst still being towed across the sea slowly.

Let's celebrate a drink or wine before your evening meal, surrounded by family, friends and paradise.
